/

**3- Condition for the validity of the certificate of approval**

The certification is valid insofar as the inspection duties are actually assumed by personnel of the Supplier who has been assessed by the Society.

The Society reserves the right to invalidate this certificate of approval in case of :

- a wilful act or omission or grossly negligent act or omission in the performance of the services or in the reporting,
- major deviations from the qualified system of the Company,
- services performed outside the scope of the qualification or by a technician of the Company who has not been assessed by the Society for the undertaken inspections activities,
- unreported alterations to the system or technical personnel

**4- Other conditions**

The present certificate does not apply to personnel(s) engaged in survey, maintenance and test of self-contained air breathing apparatuses and no approval certificate is issued by the Society.

**5- Endorsement where an intermediate audit has been performed**
